2017 ANNUAL REPORT
Dear donors and supporters,

Once again, The Hospice Promise Foundation touched the lives of patients and families all across our nation in 2017. As we reflect on our 2017 results – made possible by your continuing generous contributions – we can rest assured that we are without a doubt making a difference for so many people facing seemingly hopeless circumstances.

In 2017, we provided over 405 grants and distributed $199,264 to our hospice patients and their families all across the country. Each one of these grants served to lift someone's spirits, to make someone's final days just a little better, and to help families better cope with the impacts – both real and emotional – of losing a loved one.

We could not accomplish all this without our board of members and administrative volunteers. I want to thank each and every one of them for the time and effort they have donated to provide comfort and care to the hospice patients and families we are so blessed to serve.

- Lori Stagg – Vice President
- JoAnne Little – Secretary
- Jody Soileau – Treasurer
- Ginger Myers – Board Member
- Paula Mills – Board Member
- Dr. Ben Doga – Board Member
- Annie Perret – Administrator

I also want to thank our LHC Group employees for their continued generous donations through payroll deductions, numerous agency fundraisers, and work with local and national businesses in support of our foundation. We also deeply appreciate LHC Group for funding 100 percent of our administrative expenses so that we can continue to give 100 percent of our donations directly back to the patients and families we serve.

I look forward to what we will accomplish in 2018. There are still so many out there who need us. I hope that fact will serve as inspiration for us all – our work is not done, and we will never rest in our determination to reach as many people as we can. Working together, we will do just that.

Thank you.

Carllene MacMillan
President
The Hospice Promise Foundation

Thanks to the generosity of so many people in our community, The Hospice Promise Foundation is able to assist patients and families with essential, non-hospice related expenses they are unable to afford themselves – such as rent and utility bills, emergency repairs, personal care items, and food assistance. The foundation also provides funding for patients’ last wishes, burial assistance, and community projects like bereavement camps for children and educational outreach programs for end-of-life care. Here are a few stories of patients and families touched by the foundation in 2017.
While doing an evaluation on a new patient, Jeannette Longairc, MSW at Heartlite Hospice, noticed the patient was depressed. Jeannette asked her if she had any last wishes.

The patient said she was lonely and wished she had a dog to keep her company. She had lost her last dog a few years ago and missed the companionship. The patient said she couldn’t afford the upkeep or the pet deposit where she was living. She earned only a very small monthly income and money was extremely tight.

Jeannette talked with others at the agency and decided to call Homeward Bound Pet Rescue in Ellijay to find out if there were any small dogs needing a home and if they could waive the adoption fees for a hospice patient. As it turned out, someone had just contacted them saying they had an older miniature Schnauzer they had to surrender. The dog, Riley, was 14, up-to-date on shots, and very sweet.

Next, they had to speak with the housing authority where the patient lived. They would not waive the pet deposit, and provided a list of rules and guidelines pertaining to the dog. Riley met all their qualifications. Meanwhile, Homeward Bound came up with a wonderful plan: They would make the patient a “foster parent,” which meant Homeward Bound would pay for the dog’s upkeep and vet bills.

Jeannette and the team at Heartlite Hospice contacted The Hospice Promise Foundation to find out if they would pay the pet deposit. The grant was approved the next day!

Riley and the patient were a perfect match. The patient was happy – and so was everyone at Heartlite Hospice.
Calm After the Storm
Hospice of Central Arkansas

HOT SPRINGS, ARK.

Heavy rainfall hit the Hot Springs, Ark., area in 2017, and Hospice of Central Arkansas saw many parts of their service area flooded.

One patient had flooding in his apartment. The patient had lived in his apartment for over 40 years and accumulated lots of things. The patient had no social support system to turn to for help, and had severe anxiety at the thought of his belongings being moved. He also had severe respiratory problems, and staying in his apartment with wet carpet and mold could be harmful.

Lori Hefley, MSW, visited with the patient and talked him into allowing the Hot Springs team to place him in an emergency respite facility so the apartment complex could change out his carpet and flooring.

At issue was how to move the patient's belongings so that the workers could go in and complete the repairs. Lori was able to make arrangements with a local moving company to pack up the items and store them while the repairs were being done. She was able to secure a discounted rate for the service and covered the costs with help from The Hospice Promise Foundation.

Lori made a point to keep in constant touch with the patient through the entire process to help ease his anxiety with being outside of his home. The carpet was replaced, the apartment cleaned, and the patient was able to transition back home without problems.

A Celebration…A Farewell…A New Beginning
Wythe Hospice of Southwest Virginia

WYTHEVILLE, VA.

A patient at Wythe Hospice of Southwest Virginia had a last wish – to see the grandson she raised graduate from high school. Unfortunately, her illness had progressed to the point that she could not attend his graduation ceremony without ambulance transport and oxygen.

Jennifer Greer, MSW, made a few calls to local ambulance providers, but the cost was going to run around $800, and the family just couldn't afford the expense.

After numerous calls, Jennifer found a hometown ambulance provider in a neighboring state. It turned out that the owner of the company had a positive hospice experience with both of her parents. After hearing the story, she agreed to transport the patient to and from the graduation and stay with her during the event. She provided all of this for $100 – paid for through a grant from The Hospice Promise Foundation. The patient was so very appreciative to have her last wish fulfilled.
Help When it’s Needed Most

**Housecalls Hospice**

**PARKERSBURG, W. VA.**

Damien, a patient at Housecalls Hospice in Parkersburg, and his family were in need of support as he walked his final path to becoming one of God’s special angels.

The staff made arrangements with The Hospice Promise Foundation and helped secure $1,400.00 to help the family with utilities and funeral expenses. One staff member even made an anonymous donation to pay their water bill.

Other agency donations helped the family with food items. The social worker and chaplain took the family to lunch and made arrangements with a local minister to baptize the patient, Damien – a very emotional event for the entire family.

The staff also donated a coat to a 16-year-old living in the home who was working to help support the family financially. He was going without a coat because his grandfather needed it.

“How blessed we are to serve those who place their trust in us,” said the staff at Housecalls Hospice. “We’re grateful we had the resources to help this family in their time of need, providing financial, emotional, and spiritual support. Thank you for allowing us to help.”

---

**Painting Through Grief**

**Conemaugh Regional Hospice**

**JOHNSTOWN, PA.**

Conemaugh Regional Hospice in Johnstown helped secure a $150.00 grant for supplies and refreshments at their bereavement support group “therapeutic painting session.”

The group helps family members of former patients with the grieving process. Eleven people participated and worked together to create a portrait of a cardinal resting in a tree. Several attendees said the event served as a great source of comfort and as an opportunity to meet people with similar experiences.
It was two weeks before Christmas in Valdosta, Ga., and carols were on the radio, winter was in the air, and department stores were packed with people shopping for their loved ones. It was a typical day at work as Justin Anderson, LCSW at Halcyon Hospice, made his first visit to see a patient.

The patient had suffered a stroke years before, and was confined to bed and totally dependent on others for daily living activities. Her daughter had put her life on hold to be a full-time caregiver. There were four generations living in one home. The patient’s granddaughter had just lost her job and had two small children. Their father wasn’t in the picture, and there was only one income for the entire household.

The patient’s daughter had a few sparse decorations and was trying to make the best of their current situation. Her response was, “the Lord will always find a way.” At the end of the visit, she followed Justin outside and said, “I don’t know what we’re going to do, we don’t have money for a Christmas meal and the grandchildren are excited about Santa, but we have no money to buy them gifts.”

Justin empathized with her and ensured her that he would do what he could to make sure that didn’t happen. He got in touch with The Hospice Promise Foundation and explained the situation. Two days later, Justin delivered eight $50 Walmart gift cards so the family could have a Christmas dinner together and ensure that Santa brought gifts for the little ones on Christmas morning.

The family was very appreciative. Everyone on the hospice team received a blessing that day and was reminded of the true meaning of Christmas and of our company’s foundational mission statement - “it’s all about helping people.”
Keep the “Love Lights” On

During the last week of November 2017, Housecalls Hospice in Parkersburg, W. Va., held their “Love Lights” ceremony and Christmas tree lighting. The event featured guest speakers, live entertainment – including some of the agency’s very own talented staff – and light refreshments.

Gifts to Love Lights during the holiday season provided families with a way to remember a loved one who had passed away, or to honor a living loved one. Contributions also helped Housecalls Hospice raise funds for The Hospice Promise Foundation and make a difference in the lives of those they serve.

The event raised $6,000 for the foundation.

Thanks to our team members at Housecalls Hospice for their creative and heart-warming efforts in support of The Hospice Promise Foundation.
We are pleased to recognize our donors for their compassion and generous support.

About the Foundation

The Hospice Promise Foundation is a non-profit organization, and your donation is tax-deductible to the extent allowed by law. Donations collected will go to the general fund to support all hospice patients. Donors can also request their gift be earmarked for hospice patients in our care in specific cities, states, or regions. To make a donation or learn about benefits, visit us at LHCgroup.com/foundation.

Our purpose
The Hospice Promise Foundation assists patients and families with essential, non-hospice related expenses they are unable to afford themselves – such as rent and utility bills, emergency repairs, personal care items, and food assistance. The foundation also provides funding for patients’ last wishes, burial assistance, and community projects like bereavement camps for children and educational programs for end-of-life care.

Our promise
In communities across the country, we’re working every day to ensure hospice patients live comfortably, with dignity, when a cure is no longer possible. But to continue our vital work, we need your support. In return, we pledge to promote our mission to provide comfort and care to the hospice patients and families who have placed their trust in us – and who we are so blessed to serve.

Become a hospice promise hero
When you make a donation to The Hospice Promise Foundation, 100 percent of your donation goes directly to patients and families in need. Your generosity will make a difference in the life of another, and help ensure his or her final days are spent worry-free, and surrounded by loved ones in the peace and comfort of home.

Giving is caring. Become a hospice promise hero today.
