Dear donors and supporters,

Thanks to your generous donations and hard work – the numerous creative fundraisers at agencies around the nation, and work with local and national businesses in support of our cause – 2018 was a great year for the Hospice Promise Foundation. I continue to hear stories of patients and families who felt they had no hope, only to find an ally in a nurse, social worker, volunteer, or other staff member who cared enough to make a difference.

The clinicians, staff, and volunteers on the ground are making that difference – thanks to the continued generosity of people like you. More than ever, your kindness, your willingness to help, and your compassion for our patients and their families has touched the lives of so many.

In 2018, we provided 582 grants totaling $281,998 for hospice patients and families in need in cities, towns, and communities around the nation. We are reaching further, and with your help we will continue to expand our efforts and touch more lives as we help patients and families peacefully navigate life’s final journey.

As always, I want to thank our LHC Group employees for their continued generous donations through payroll deductions, and LHC Group for funding all of our administrative expenses so that 100 percent of our donations go directly to the patients and families we serve.

And, of course, I want to recognize our board members for donating their time and efforts to making the Hospice Promise Foundation possible as well as our Administrator in 2018, Annie Perret:

- Lori Stagg – Vice President
- JoAnne Little – Secretary
- Jody Soileau – Treasurer
- Ginger Myers – Board Member
- Paula Mills – Board Member
- Dr. Ben Doga – Board Member

Our momentum is strong, and growing stronger. I look forward to what we will accomplish together in 2019. It is a genuine honor to play a role in this outstanding program.

Thank you.

Carllene MacMillan
President
The Hospice Promise Foundation
2018 Funding Areas
FOR THE YEAR ENDING DECEMBER 31, 2018

TOTAL NUMBER OF GRANTS
582
GRANT DOLLARS DISTRIBUTED
$281,998
CONTRIBUTIONS
$828,050

Burial Assistance 48.5%
Comfort Care 5.2%
Rent/Housing Assistance 2.9%
Utilities 27.0%
Personal Care 4.8%
Last Wishes 4.1%
Food Assistance 4.6%
Emergency Repairs 2.9%
The family of a patient served by Hospice of Central Arkansas was struggling with the loss of their son and paying for his burial expenses. The agency team reached out to the Hospice Promise Foundation for assistance and was able to provide the grieving family with the funds they needed.

Weeks later, the hospice team received the following letter from the patient’s mother:

“To all who donate to the Hospice Promise Foundation, thank you all for your generosity of both spirit and money. Your assistance allowed me to have my son cremated without incurring a debt that would have been overwhelming at this particular time in my life. It helps to know that there are people who truly care.”
Home Improvements

Heartlite Hospice

ELLIJAY, GA

A family on service with Heartlite Hospice had their home burn down several years ago. They rebuilt a tiny home on their property, but there was no money left for hot running water. The family lived as best they could, taking baths in a wading pool in the yard when the weather allowed and heating water on the stove to wash dishes.

At her first meeting with the family, Wanda Brady, MSW, took note of the way they were living and came back to discuss it with her team members. She arranged for a plumber to visit the family and got an estimate on what it would cost to get hot running water in the kitchen and bath.

The cost was almost three times the amount of the average grant. But because of the circumstances, their $1,700 grant was approved and the work was completed in days. Without a doubt, the grant greatly improved this family’s quality of life.

“...the grant greatly improved this family’s quality of life.”
For a third year, the Hospice Promise Foundation helped fund Camp Sunburst – an overnight camping experience for children (grades 1-6) who have lost a parent, sibling, or other relative. From April 20-22, over 30 excited campers descended on the Clemson Outdoor Lab to play, learn, remember, and grieve with children who have had the same experience—and the mentors who help them heal.

This year, Jeff Holland of Our World Festival involved campers and staff in the use of drums and other percussion instruments for exercises utilizing rhythm and music for healing, stress reduction, and relaxation. Campers spent time together singing, playing, releasing butterflies, and talking about emotions, allowing them to learn about grief alongside others going...
over 30 excited campers descended on the Clemson Outdoor Lab to play, learn, remember, and grieve with children who have had the same experience—and the mentors who help them heal.

Give the Gift of Time, Family, and Support

Housecalls Hospice
PARKERSBURG, WV

A patient at Housecalls Hospice had a last wish – to celebrate Christmas with her family before she passed. The staff reached out to the Hospice Promise Foundation for a $700 grant to help fulfill this wish. The patient was able to buy her family Christmas presents and food for the holiday.

The Housecalls Hospice staff also donated ornaments so the patient’s house could be decorated for the holiday. The patient had always loved Christmas cards, so the staff helped spread the word. As a result, the patient received over 115 kind and loving Christmas Cards!
With temperatures soaring into the mid-to-upper 90s, and a heat index in the 100s, the team at Housecalls Hospice in Parkersburg, WV, helped a patient and her family obtain a grant from the Hospice Promise Foundation to purchase an air conditioner.

Diana Jones, SW, ordered the AC unit online and had it delivered to the patient’s home. With the money left over, Diana and Lora Sams, CH, went grocery shopping for the family. They bought several staple food items as well as some “goodies.”

As evidenced in the accompanying photo of Mrs. Ambrose, those “goodies” were a great delight!

She was excited by each of the items purchased, but two in particular gave her great joy – a huge tub of peanut butter and a package of Nutter Butter cookies. She was so happy, she wanted a copy of her picture taken with the cookies.

Due to poor home conditions, a patient and his spouse were forced to move out of their home by their landlord. Both the patient and his spouse were on a fixed income and could not afford both moving expenses and their electric bill. With help from the team at Tennova Hospice, the Hospice Promise Foundation provided the grant money to pay their electric bill, including past due and current electric charges.
West Virginia Hospice in Buckhannon, WV, recently had a “Bake Sale and Raffle” at a local Walmart Store to raise funds for the Hospice Promise Foundation. The entire team baked goodies, worked the event, and sold raffle tickets for some very special handmade wreaths and baskets. Sherry Sellers, a new volunteer with the Buckhannon team, made the wreaths and baskets for this event.

This fundraiser earned $547 on the baked goods and close to $300 on the raffle items. The event was a HUGE success! The staff enjoyed spending time together and getting a chance to talk to folks in their community about hospice.
Celebrate Your Heroes

Louisiana Hospice and Palliative Care
MONROE, LA

Louisiana Hospice and Palliative Care in Monroe held their first annual “Celebrate Your Heroes” 5K and one-mile run/walk this year. The event drew a huge crowd of community runners, walkers, and volunteers who were encouraged to dress up as their favorite hero in celebration of our everyday heroes who help make a difference in the lives of others.

Awards were given to teams with the best costume, the best team name, and the largest team. All individual participants were placed in a drawing for a door prize. Participants took free photos with Batman and his Batmobile and enjoyed a free McDonald’s breakfast the morning of the event. The event raised close to $16,000 to help hospice patients and families in need.
Keeping the Promise

Heartlite Hospice

ELLIJAY, GA

Keeping the Promise is an annual fundraiser held by Heartlite Hospice of Ellijay. The purpose is to raise money for the Hospice Promise Foundation while raising awareness of their hospice services in the community. With the money raised through these fundraisers, Heartlite Hospice has been able to assist families with bills, moving expenses, final arrangements, necessary home repairs, final wishes, and other non-hospice related items.

The most recent event was held at a local winery on a Friday evening. Tickets sold for $25 each, which included five wine tastings, a glass of your choice, lite fare, live music, and a silent auction.

The generosity of the community was heartwarming. Several businesses were Gold Sponsors, donating $400 or more. Many smaller businesses couldn’t make a monetary donation, but did donate items or services for the silent auction.

Some of the donated services included: guided fishing trips, worth $400; a professional teeth whitening system donated by a local dentist, worth $300; gift certificates donated by several local restaurants; games from the local golf course; and ten passes from the newly opened movie theater. They had local jams and jellies, artwork, small appliances, grills, and many more great items.

With close to 80 people attending, they raised over $9,000 for the Hospice Promise Foundation.

A great deal of positive feedback was received from the community and Heartlite Hospice was able to reach out and financially help several of their families throughout the year.
South Louisiana Giving Day BBQ

Lourdes Hospice
LAFAYETTE, LA

In May, Lourdes Hospice held a South Louisiana Giving Day (SOLA) BBQ fundraiser at LHC Group’s Lafayette Home Office to support the Hospice Promise Foundation. SOLA – a 24-hour online giving event – is organized by Community Foundation of Acadiana and supports nonprofit organizations, churches, and schools in our communities.

The hospice team spent weeks preparing for the fundraiser and working with local organizations to obtain donations of food items, supplies, and volunteers for the BBQ.

The event was a huge success and raised over $3,000 for the foundation.
St. Patrick’s Day Parade

Hospice of Central Arkansas
HOT SPRINGS, AR

Every year, Hot Springs has a St. Patrick’s Day parade – known as the shortest parade in the world. The city plans the parade with celebrity Grand Marshall Joey Fatone, parade starter Jon Heder, the Dallas Cowboy Cheerleaders, the Budweiser Clydesdale Horses, and live performances from artists such as Grand Funk Railroad and Morris Day.

This year’s event drew around 40,000 people and was held outside the Hospice of Central Arkansas office building. The hospice team set up a table outside of their office and sold bottled water for $1 and handed out 1,400 beaded necklaces.

The event raised $810 for the Hospice Promise Foundation.
We are pleased to recognize our donors for their compassion and generous support.

About the Foundation

The Hospice Promise Foundation is a non-profit organization, and your donation is tax-deductible to the extent allowed by law. Donations collected will go to the general fund to support all hospice patients. Donors can also request their gift be earmarked for hospice patients in our care in specific cities, states, or regions. To make a donation or learn about benefits, visit us at LHCgroup.com/foundation.

Our purpose
The Hospice Promise Foundation assists patients and families with essential, non-hospice related expenses they are unable to afford themselves — such as rent and utility bills, emergency repairs, personal care items, and food assistance. The foundation also provides funding for patients’ last wishes, burial assistance, and community projects like bereavement camps for children and educational programs for end-of-life care.

Our promise
In communities across the country, we’re working every day to ensure hospice patients live comfortably, with dignity, when a cure is no longer possible. But to continue our vital work, we need your support. In return, we pledge to promote our mission to provide comfort and care to the hospice patients and families who have placed their trust in us — and who we are so blessed to serve.

Become a hospice promise hero
When you make a donation to The Hospice Promise Foundation, 100 percent of your donation goes directly to patients and families in need. Your generosity will make a difference in the life of another, and help ensure his or her final days are spent worry-free, and surrounded by loved ones in the peace and comfort of home.

Giving is caring. Become a hospice promise hero today.
